The curse: *"You are going to lose this World Series and you are never going to win another World Series again"* Tavern owner William "Billy Goat" Sianis proclaimed in 1908 when he wasn't allowed to bring his goat Murphy to the game because of Murphy's stench, even though Murphy the goat had a ticket.

So pick your team, make your donations and send that goat away!!!!

The blessing: A goat supplies a village with food, e.g. milk and cheese.

The curse of hunger is replaced with a blessing of a goat.
