

DCFS Standards

Resurrection Preschool is licensed by The Department of Children and Family Services and provides the following according to DCFS Standards:

- A planned program by a qualified and trained teaching staff
- Ample space for indoor guided play
- Appropriate and sufficient equipment and play materials
- Safe, sanitary and hygienic conditions
- Opportunities for parents to visit the school and converse with the director and the teachers

Our teachers are DCFS qualified with many years of experience in Early Childhood Education. They provide each child with a strong foundation to ensure future success as well as teaching them that they are treasured children of God.

Our teachers are members of

National Association for the Education of Young Children
Promoting Excellence in early childhood education

Resurrection Preschool has been providing a developmentally, age-appropriate, Early Childhood Program in the community since 1964. Our faith-based curriculum provides each child with a strong foundation to ensure future success, as well as teaches them that they are treasured children of God. Our curriculum is based on the recommendations of developmentally appropriate practice and follows the Illinois Early Learning Standards. Our goal is to provide the best educational opportunities for each child to achieve their ultimate potential academically, spiritually, socially, emotionally, and physically. Students learn standard-based concepts and do skill-based activities, using fun and creative themes, led by our state-certified and high qualified staff.
